

Search a company name and address using BIN

Go to the **Online Services** menu then click the **Search Reference Data**. Select **Search Company** afterwards

After going to Company Search, there will be an option to insert the Company Code where the Company Code needs to be given. After entering the Company Code, check the box beside 'I'm not a robot' then click on the 'SUBMIT' button.

Name and Address of your desired company will appear in a grid at the bottom of the interface.
